WORK EXPERIENCE

Infantry Squad Leader

US Army

SEPTEMBER 2004 – MARCH 2010

- Led a squad on more than 100 armed combat patrols on foot and in vehicles.
- Led infantry team of 5 members in combat operations, including providing tactical guidance.
- Oversaw daily command for squad of 9 soldiers, demonstrating strong moral character, intellect and respect.
- Spearheaded 2 fire teams during live fire battle drills, close combat training and MOUT exercises at various locations.
- Directed supporting fire to suppress enemy fire and allow troops to maneuver within action area.
- Demonstrated exceptional equipment knowledge in infantry employment of weaponry, including rocket launchers, rifles and machine guns.

Printing Press Operator

TetraPak International S.A.

AUGUST 2011 – AUGUST 2020

- Examined printed copy for correct ink density, position on paper and registration.
- Conducted ink operations, including verifying ink specifications, inking presses, changing ink and adjusting ink flow.
- Led flexographic printing press operations, including sealing and die cutting.
- Met all production schedules and throughput yield targets.
- Examined and produced specific job orders.
- Posted and adhered to all safety policies and regulations, including lockout/tagout, hazardous material handling and hearing and eye standards.
- Monitored time and performance standards and reduced waste and spoilage during run mode.
